I will link you up with our Mobile Hygiene Consultant, Jasmin in this email! CD4's location hasn't been determined yet, but we'll gladly take your input and ideas now. Jasmin will be able to better speak on some of the requirements for the trailer.

Hi Milene,

CD4's hygiene unit is slated for April if I'm not mistaken. A schedule hasn't been confirmed yet, but as we near the launch date, LASAN's mobile hygiene consultant will reach out and fine tune the details with you. Let me confirm for you tomorrow that it is in April!
